OLA Lost and Found
2009 – 2010

Every two weeks, (on or near the 1st & 15th of each month) items found in the bins are inventoried by the Lost & Found Committee.

Items labeled with legible names are returned via class mail to the appropriate students.

Unlabeled items are inventoried and left in the bins to be claimed.

A detailed inventory list of the unlabeled items is posted on the OLA School Website.

Owners have the two weeks between inventory sessions to claim their items from the bin.

Every two weeks, any inventoried items that remain unclaimed from the previous inventory date are donated to the OLA Used Uniform Sale or to Goodwill.

Please remember to label ALL clothing and school items with full names as this will help the Lost & Found committee return items promptly.

Please do not discard any items from these bins without first contacting Lori Howard or Mary Donahue.

Contact Lori Howard or Mary Donahue with any questions.
Thank you.
